

# INVITATION

**National Cluster Association – CZ and Cluster CREA Hydro&Energy, z.s.**

invite you to the internationalisation event

## “NATUREEF + V4ClustersGo International“

**Brno Exhibition Centre, Hall B, Czech Republic, 2<sup>nd</sup> March 2017**

The meeting will focus on internationalization of clusters, their members and partners. The promoters of the project, the NCA together with their member cluster organisation CREA Hydro&Energy, will share their rich experience with other partners.

The European Strategic Cluster Partnership NATUREEEF will be presented, which will also offer businesses a chance to participate in specific activities focusing on Latin American and ASEAN countries, and partnerships cluster associations V4.
