

INVITATION for the V4Clusters Project Final Conference in Ostrava

In the name of the **National Cluster Association** as the Lead Partner of the international project “*Boosting V4 Cooperation through Strategic Cluster Identification, Networking and Informatisation*” (V4Clusters) being the host of final meeting event together with the **Czech Machinery Cluster**,

I hereby invite you to the

V4Clusters Final Conference

to be held in the Vítkovice Lower Area, Ostrava (Ruská 2993), Czech Republic
on 4 - 5 November 2014

The V4Clusters project, co-financed by the International Visegrad Fund, covers coordinated actions and activities of five partners from four Visegrad group countries – National Cluster Association (CZ), Czech Knowledge Cluster (CZ), Pannon Business Network Association (HU), Upper Silesian Agency for Entrepreneurship Promotion Co. (PL) and The Union of Slovak Clusters (SK).

The aim of the project is to open the potential hidden in clusters and their cooperation across strong and emerging sectors of the Visegrad Group by their identification and informatisation of the national cluster databases as a part of the V4 information platform.

The V4Clusters Final Conference shall be devoted to the presentations of the relevant results of the V4Clusters project comprising demonstration of the V4Clusters database and Action Plans of the V4 Leading Clusters.

Preliminary programme
