

Food & Bio Global  
**SUMMIT'23**  
26-27 September

# JOIN THE GLOBAL MOVEMENT

**Are you ready to shape the future of the sustainable food systems?**

**Join us in September and:**

- Get an insight into the global challenges and trends
- Learn about the power of collaboration and acceleration
- Participate in one of the four summit labs and take active part in shaping the future
- Engage in focused discussions on positive nutrition, value-added bioresources, sustainable green transition and technology-driven solutions
- Network and meet new collaboration partners in 1:1 meetings for innovation and project development
